- TUSD Monthly Update
TUSD Oversight Bond Committee has placed Henry 14 out of 32 in priority to receive new fencing. The principal inquired about this ranking due to the security incident we had last November. The response was that other sites had either no fencing or holes in existing fencing that need to be repaired first. The first phase of installation will begin during the 3rd and 4th quarter of this school year. Mr. Heminger will request to see a model of the fencing that will be used.
